DISCLAIMERS

Despite every effort to provide accurate images of each product's color, actual tones and design may vary slightly, due to different device screen settings, the lighting in the installation location, slight differences in product finishes over time, other factors and the fact we are working with natural leathers.

* The standard heights for uppers and high stiffeners are based on a size 8 for men and a size 5 for women and may vary in smaller or bigger sizes.

NIMCO MADE FOR YOU

This is a story about people.
More people than you can
ever imagine.

This is not about everyone,
this is about each one.

All different, all special, some are sleepy, some are messy,
some are growing up. We know them all.
Sarah, Frank... Here, every foot has a name. Here, every foot
has a footprint.
We make shoes just for you. You know us.

Innovation, identity, and future in custom-made orthopaedical footwear.
Because each story is unique. This is a story about each one of us and
the way we get to places we want to conquer.
It is about our journey, through adventures and mishaps. It is the story
of the way we challenge obstacles and how we manage to overcome
them, step by step.
This story is about every gesture for a sustainable world, it is about you.

WE WERE MADE FOR YOU

INFINITY

COLLECTION 2024-2025

Sometimes, the future is right back at the start. Back to the essence of things.

What is really important in a shoe? Comfort fit and function.

And this is the reason we created Infinity.

It is not new, it is necessary. It is not avantgarde, it is a classic.

In 100 years, this line style will still look smart and timeless.

Hence, its name: Infinity.
